SCHOOL BLOG

As we reach the end of a very busy Autumn term, I would like to thank all our children, staff and families for their hard work and commitment to the school.

Next term we are very lucky to have the opportunity to have the whole of the school heating system replaced by a modern, more energy efficient model. This will mean minimal disruption but each class will need to move to a different area of school for one week during next term. We will ensure that all areas of the school remain heated during this work.

You will have read about the recent rise in infectious diseases in schools. As you will see in the letter sent to parents today, the risks remain very small and most children will have a cough or cold at some point over the winter. Please be assured that we carefully triage every case of illness in school and should there be any outbreak of an identifiable infectious disease, public health will be immediately informed. In the meantime, please continue to send your child to school as every day of education is very important.

Next week we have lots of concerts in school. We have tried to keep these to a couple of year groups at a time for health and safety reasons and to ensure that all parents who want to attend are able to.

We look forward to seeing you next week and, on behalf of all the staff at Lakeside, I wish everyone a Happy Christmas and a peaceful New Year.

Mr Bullock
