SCHOOL BLOG

As we come to the end of the first week of our School Streets project it is great to be able to reflect on all the positive comments from parents and children. The children have told us that they have enjoyed being able to chat on the way out of school with less noise and less anxiety around the dangers of the traffic on Sandy Lane.

Whilst we are only allowed to enforce the road closure for the specified times on the traffic order, we do ask that parents do not choose to come before the road closure, park on the closed street and then drive through the barriers to leave. Whilst we are unable to enforce this it adds to the workload of managing the closure as well as detracting from the ethos we are trying to promote for our children. Permit holders will still be allowed through the barriers at the start and the end of the day as before.

As part of our School Streets project we held a poster competition which all children were invited to enter. We are pleased to announce the lucky winners as;

First Prize - A Scooter & Helmet - Martha Harty

Second Prize - A Fitness Tracker Watch - Luca Rabaceanu

We had some amazing designs which made judging and choosing a winner a really difficult task! All entries have been taken by Doncaster Council and will be made into posters and put up around the local area... so, look out for those appearing soon.

We have many more exciting events planned to support the School Streets Project including an air quality project for our children to work on, a Spring Fancy Dress Walking Bus, and a two week Big Walk and Wheel initiative. More details of those events will be coming out shortly.

Once Again, thank you to all of those families that continue to support our endeavours. Have a lovely weekend.

Mrs Smith
