## SCHOOL BLOG

What a busy half term with have had!

The Tiny Forest project has been completed with a total of 600 trees planted, with the help of the children. As the Forest grows, we will be working to develop the area further with some planters and seating so that the children can use the space during breaktimes and lunchtimes, and also as an outdoor classroom for curriculum activities. The gardening group which begins after the Easter break on a Thursday evening will take the lead with planting up the area. If you would like to get involved or have any seeds/ bulbs you are able to donate, then do please get in touch.

We are very lucky to have some outdoor gym equipment installed on the Key Stage Two playground area. This was fully funded by One Call insurance as part of our Lakeside Community Hub project. The equipment is proving to be a big hit with the children and it is great to see so many children exercising and enjoying the fresh air. As always, we are grateful to local businesses who offer their support.

Today marks the end of the Sustrans Big Walk and Wheel event, it has been great fun, with lots of children getting involved and winning some great prizes for their efforts. We have made a total of 2555 active journeys to school over the two-week period, which is an amazing effort. On Thursday we paraded our Easter Bonnets along Carr House Road on our Easter Walk and enjoyed a lovely breakfast together back at school. Following the Easter Walk we held a few fundraising stalls to raise money to support our outdoor projects. We raised an amazing amount of £141.

As always, we thank you for your continued support and hope you have a lovely Spring break.
