SCHOOL BLOG

Last summer we were successful in applying for a National Lottery grant to fund a new Forest School cabin on site which will allow us to provide Forest School sessions outside of term time. The children are very excited to see it built and it looks amazing, I am sure that you agree! We can't wait to start using it both for clubs and as part of our lunchtime provision.

We were very lucky to have the Behaviour Outreach Support Team in school this week for a coffee morning with parents. It was great to be able to chat about why children might present with certain behaviours and how we can support them to manage our emotions. Everyone who attended found the session really enjoyable and it was great to be able to speak to parents in an informal setting and share ideas. We will be running similar sessions in the future and we hope to see more of you there. If anyone was unable to attend and would like to access the materials and resources that were shared during the session, please get in touch.

Save The Date - On Wednesday 28th June 2pm-4.00pm we will be holding a School Streets event outside school. This will be an opportunity for you to collect your children early and take part in the free organised Street Play activities. We have several external agencies coming to hold information stalls, including; Stronger Communities Team, Our Place, Ambition Project, School Streets and Inner Sunshine Yoga. This will be a great opportunity to explore support and advice available to you in the Local area and we will also have some fundraising stalls, and food stalls to explore.

As always, we thank you for your continued support in all we do and I hope to see lots of you attending future events.

Mrs S Smith

SEND/CO/Inclusion Manager
