## SCHOOL BLOG

It seems unbelievable that we are already at the end of our first half term. The children have worked incredibly hard, settling into their new classes and impressing us all with their positive attitude to learning.

It was great to see so many families in school this week to speak with teachers and discuss the next steps in your child's learning journey. It was also a wonderful opportunity for the children to show you some of the fantastic work they have completed over this half term, and an opportunity for academy staff to meet you all.

Yesterday we held our first Family Forest school session of the academic year which was well attended by children across the school. The families taking part were able to spend quality time with their children in the Forest School environment. They enjoyed some outdoor learning and craft activities and were very proud to take home their designs at the end of the session. We will be holding further sessions over the year so please do look out for them and book your place to join in the fun.

We hope you all have a wonderful half term break and enjoy a well-deserved rest. We look forward to seeing you on Monday 30<sup>th</sup> October for that start of what I am sure will prove to be another busy half term.

Kind Regards

Mr Bullock

Head Teacher
