SCHOOL BLOG

We find ourselves once again at the end of another busy week in the academy. As I have spent time in classrooms this week I have observed Year Four working on clay models and busy baking some treats. Year Two have been out in the forest searching for mini-beasts, whilst Year Six have been scientists, dissecting lambs hearts. Every classroom I have had the pleasure of spending time in I have witnessed first-hand the children enjoying the great experiences offered to them.

We were very fortunate this week to be nominated for the Modeshift Stars School of The Region. Although we didn't win, we are very proud to be nominated and are proud to announce we have been awarded the Modeshift Stars Gold Award. The award celebrates all the work we have done in our school community to promote active travel. From the Big Walk & Wheel, Easter Walking Bus, to the School Streets project! A huge thank you to all our families for supporting us to make these positive changes and achieve this Gold Award .

Enjoy the weekend ahead.
