

This week we found out about The Three Billy Goats Gruff. We used the puppets to retell the stories while we learnt about which materials are best to build a bridge. We used positional language to describe where the goats are as well as how to use kind words. Please and thank you. In Math's Reception have been comparing more and fewer and in Nursery we have been using 5 frames to help us count. We had lots of fun exploring outside seeing how the weather had changed finding out about ice in the tuff trays and we built our own bridges with the large construction blocks.
