SCHOOL BLOG

We would like to thank all parents and carers who completed the survey that was sent out last term. We are really pleased and thankful to have had such a huge response from parent / carers across all year groups. We are grateful for all of your contributions and have been working on solutions to some of the areas you feel we could improve on, and how to build on those things you feel we are doing well. Using the survey results and also our frequent parent voice coffee morning sessions, we have made the following changes;

You Said....	We Did....
<ul style="list-style-type: none"> Access to school main entrance on foot was congested at the start and end of the day. The grassed area has become muddy and unsafe. 	<ul style="list-style-type: none"> The main entrance has been adapted and the grassed area replaced with tarmac. Both gates will be opened on all gateways to allow a wider pathway and to ease congestion.
<ul style="list-style-type: none"> You would like to be kept more informed about your children's learning. 	<ul style="list-style-type: none"> Parent's Evenings increased to three times a year. Parents will be provided with details of their child's latest assessment and current targets at Spring term parents' evening. Links to the school website class pages will be sent out via text. These detail the content of the curriculum for each term.
<ul style="list-style-type: none"> You would like more after school clubs and a greater variety of activities. 	<ul style="list-style-type: none"> Increased capacity in existing clubs. New clubs offered at the start of Spring Term.
<ul style="list-style-type: none"> School should work harder to improve the behaviour of all pupils. 	<ul style="list-style-type: none"> Behaviour Outreach Support Service (BOSS) works closely with school providing training for all staff. Behaviour Policy updated, incorporating the school values 'Ready, Respectful, Safe' Parent groups implemented through the Lakeside Community Hub, offering parents the opportunity to mirror the strategies used at school in the home environment.

Please see the attached document for the full list.

Many thanks

Mr J Bullock
