## SCHOOL BLOG

This week has brought lots of smiles as children are beginning to find the 'Random Acts of Kindness' gifts that the School Council, Craft Club and Art Club have created and hidden around school, it has been lovely to see. We also had some very exciting news to cheer us all up at the end of a very long January! We are thrilled to have received notification that our application for a Lottery grant has been approved. This will allow us to upgrade the outdoor area of the Community Hub space. We plan to add more outdoor play equipment, re-surface some of the ground and improve the outlook around the Forest School cabin. The grant will also fund free health and wellbeing sessions for you and your children to access, both in and out of the school term. We are currently in the planning stages of the project but we will keep you informed of plans and progress.

We were also successful when applying for an Active Communities Grant. The School Council highlighted that they would like to be able to access the litter picking equipment more freely and use this when needed. In order to make this happen we applied for a grant to purchase further litter picking equipment and lockable storage. This should be arriving in school shortly and I am sure the children will be thrilled to use the equipment when it arrives. It is great to see the children recognising opportunities to improve their local area and requesting support to do this. We will be taking part in the Big Spring Clean again this year on Thursday 21<sup>st</sup> March, it would be great to see as many families as possible supporting us with this, more details will follow in the next few weeks.

Don't forget the Wonka golden ticket challenge next week, keep a look out on your way into school every day next week. If you are lucky enough to find one of the golden tickets your child can exchange this for a prize in school. Good luck!

Mr J Bullock
