

Last week we learnt about Strangers and how to keep safe when we are out and about. We talked about our local area and looked at how maps help us to get to different places. In our classroom we had some plants that were alive and plants that were dying and we had the opportunity to draw them while talking about the weather affects their growth. In Reception Math's we learnt about length and used the words long and short. In Nursery we have been learning about more and less.

## STORY OF THE WEEK

Key vocabulary...

### Nursery Phonics

This week listen to the every day sounds and guess what they are.

<http://tinyurl.com/bdesd2sa>

Challenge: Find 5 objects in your house and clap the sounds for the object.

## Song of the week:

There was a Princess Long Ago

There was a Princess Long ago,  
Long ago, Long ago  
There was a Princess Long ago,  
Long ago.

And she lived in a tall high tower.

A wicked witch cast her spell,

A great big forest grew around.

We are delighted to let you know that Stay and Play sessions are starting this week. We will be welcoming parents on selected dates to join us in the classroom on the dates below to complete an activity with your child and then spend time with your child within the classroom seeing how they learn.

This is also an opportunity for you to talk to your class teacher and find out how your child is getting on and how you can help them at home.

### **Ducklings Parents**

We look forward to seeing you on the following dates 1:15pm-3:00pm.

2nd February Art session.

27th February Forest School (please bring boots and a warm coat)
