SCHOOL BLOG

It has been a very exciting week this week, it has been great to see so many children enjoying the fun of searching for golden tickets each morning. Well done if you were lucky enough to find a ticket. We hope to run similar events in the future as it was clearly very popular.

Year One children visited the Wildlife Park this week as a great end to their topic work. The children enjoyed seeing the animals and spending time with their friends. As always the children were polite, engaged and respectful through the visit and were a credit to Lakeside. Thank you to the staff who made the visit possible.

We welcomed parents into school once again for Parent's evening. It was wonderful to see so many parents spending time looking at their children's work and speaking to the teachers about their child's achievements. We hope you found the information useful and should you require any further support please do get in touch.

Today is the last day of this half term, which has flown by! We return to school on Monday 19th February. I hope you all have an enjoyable break.

Mr Bullock

REMINDERS

- If your child is absent please report this to school via email, phone or the Parent Hub app by 9.00am. Please contact Mrs Stringer if you would like to discuss your child's attendance.
- We ask that your child is in the school playground lined up by 8.25am each day, ready for a prompt start to the day.

Safeguarding Spotlight

This week in school we have been talking to the children about staying safe on the internet. The children have taken part in lessons with tips and guidance on how to keep themselves safe.

Follow the link below for information to support you in speaking to your child about safer internet use;
