## SCHOOL BLOG

It has been lovely to welcome back all the children to the Academy this week, and we do hope you had a restful break. Year Two have enjoyed starting their topic 'Marvellous Monarchs' with a history workshop in school. It was great to see the children (and staff!) dressing-up, enjoying some role-play and having a great amount of fun.

Mrs Sutherill attended a Dodge Ball competition with some of our Key Stage Two children this week. As always they were a credit to Lakeside and proudly represented us, with enthusiasm. We look forward to attending more sporting events as the weather improves in the coming months.

## Funding News

The School Council are pleased to announce that we achieved second place in the Tesco Stronger Communities, blue token scheme.

We have been awarded £1000 to purchase a Buddy Bench for each playground in school.

Thank you to everyone who supported us by making their vote in store.

## Friends of Lakeside

We hosted a coffee morning on Wednesday in the Community Hub and were joined by Lisa Wharton from the Well Doncaster team. Lisa is working within the Hyde Park area to bring together a Positive Action Group. This group will meet monthly in the Lakeside Community Hub. We will discuss issues that are important to you in your local area and consider ways to bring about positive action on those issues. Forming a group will also allow us to access funding that we would not normally be able to access as a school.

We would love families to become involved in the group in whichever way they feel able, whether that be sharing ideas, or taking on one of the roles within the constitution such as Treasurer or Chair Person. If you would like to become involved please contact Mrs Smith for more details on;

## Community Litter Pick

We will be taking part in the Great British Spring Clean this year. The Great British Spring Clean is the nation's biggest mass-action environmental campaign. In 2024, the campaign returns from 15 March to 31 March. Last year, our incredible Litter Heroes pledged to pick more than 400,000 bags of litter throughout the campaign period across the UK.

Our event will take place on Thursday 21st March and you are invited to collect your children from 2.45pm and join us for litter picking around the local community. This is a great opportunity for children to take part in an activity that fosters a pride in their local environment and encourages them to be responsible.

Safeguarding children is everyone's responsibility. If you have any concerns, please telephone 01302 737777.
