SCHOOL BLOG

What a fantastic end to the term. We have taken part in Easter walks, designed bonnets and eggs, come together as a community to litter pick and worked incredibly hard on our classroom learning. I am sure we are all ready for a relaxing break!

We return to school on Monday 15th April and will look forward to some warmer weather and more fun activities throughout the Summer Term.

A huge thank you for all your support this term, engaging in the activities on offer and supporting your children to be the very best version of themselves.

I would also like to take this opportunity to thank the staff for all their hard work this term and for ensuring the children have lots of opportunities both inside and outside the classroom.

Have a lovely break.

Happy Easter and Eid Mubarak.

Safeguarding Spotlight

What is the service?

We are a new team of Mental Health Support Workers who are based in and near schools and colleges around Doncaster and Rotherham who help children and young people with their mental health.

The team help enhance support already in place from school nurses, educational psychologists and the voluntary sector to treat those with mild to moderate mental health issues in school.

The team can also help children and young people with more severe needs to access the right support and provide a link to specialist NHS services.

We will be hosting drop-in sessions in school over the academic year. Please do come along and find out more.

Lakeside Sport

Children from across Year Five and Six took part in the Andy Gibson Memorial Hockey Competition at the Doncaster Hockey Club this week. The children showed great resilience when taking part. They were well behaved, determined to do their best and showed excellent sportsmanship, fighting to the last second of every match.

Unfortunately we didn't win this time, but it was a pleasure to watch. Well Done to all involved.
