SCHOOL BLOG

Welcome back for the summer term! This week we would like to take the opportunity to introduce our new topics.

Our Early Years children will be learning all about how things grow in their **Sunshine and Sunflowers** topic.

 Year 1 are going back in time to Victorian time, in the **School Days** topic, comparing their lives to children from the past.

In Year 2 the children are excited to start their geography **Coastlines** topic which will involve exploring a seaside town and learning about people and animals that live there.

 Year 3 are looking at the Romans in their **Emperors and Empires** topic. They will explore what life was like in Roman times and what impact they had on our lives today.

Year 4 are going to be exploring the **Amazing Americas** learning about the continents of North and South America. They will be comparing different places and zooming in to explore the people, plants and animals who live in the Amazon rainforest.

 Year 5 are also taking a trip back in time to learn about the **Ground-breaking Greeks**, where they will examine artefacts and explore what life was like in Athens in the past.

Finally our year 6 children are going to be learning about **Early Islamic Civilisations** and exploring their art, history and customs.

If you would like to find out more information about what they are learning please visit your child's class page on the school website.

Mr Bullock

REMINDERS

Safeguarding Spotlight

What are School Streets?

A School Street is a road outside a school with a temporary restriction on motorised traffic at school drop-off and pick-up times. The restriction applies to school traffic and through traffic. The result is a safer, healthier and pleasant environment for everyone.

School Street schemes offer a proactive solution for school communities to tackle air pollution, poor health and road danger reduction. A School Street scheme will encourage a healthier lifestyle and active travel to school for families and lead to a better environment for everyone.

Help us to keep our School Streets closure running, by adhering to the restrictions that are in place.

Find out more about the benefits of the scheme here;

Children's University

Congratulations to Hussain in Year Three for winning the Children's University design an egg competition. I am sure you will agree it was a very impressive design. Well done Hussain!

Out of School

Achievements

Ashton has successfully completed the Treetop Adventure Plus course. He managed to overcome his fear of heights, stayed calm and brave throughout all the different challenges.

Well done Ashton, we are very proud of your resilience.

Holiday Forest School

It was great to be able to offer a holiday Forest School session, funded by The National Lottery. The children who attended had great fun taking part in the Spring craft activities that were on offer. Look out for the Summer sessions which will be advertised shortly.

Good News!

We are very lucky to have received six new benches to be used around the school grounds. One Call insurance have purchased these for us and we would like to say a huge thank you to them for their support. They will make a great addition to our outdoor spaces and the children will be able to enjoy some table top activities at lunch and playtimes over the Summer Term.

Safeguarding children is everyone's responsibility. If you have any concerns, please telephone 01302 737777.
