SCHOOL BLOG

Wow! What a busy week we have had this week.

We welcomed Ofsted into our school this week and were proud to show the inspection team our school.

We would like to thank you all for the positive comments that were made to inspectors over the inspection, it was great to hear the views of so many of our families.

The children were fantastic throughout and displayed our school values with pride.

We look forward to sharing the report with you once it is published.

Friday was also our charity day to support the Yorkshire Air Ambulance. Thank you for all your kind donations to this life-saving service.

Have a lovely weekend

Mr J Bullock

Out of School Achievements

David has been working hard at his swimming lessons and has achieved several certificates. Well Done David, great achievement!

Choose Kindness

We are proud to be championing the DMBC Choose Kindness campaign. In school our staff and School Council representatives have been looking out for children and adults who have displayed kindness. They have been rewarded with Kindness certificates.

We have thought about how we can complete Random Acts of Kindness, including hiding small home-made gifts around the school grounds and local community.

Keep a look out for them!

Welcome to Lakeside

We would like to welcome Mrs Green to Lakeside, who has recently joined the team as Business Manager.

Louise has a wealth of experience working in schools across Doncaster, and we are very lucky to have her join the Lakeside team.

Safeguarding children is everyone's responsibility. If you have any concerns, please telephone 01302 737777.
