SCHOOL BLOG

It has been a fantastic start to the final half term of this academic year. We were proud to be able to share our Ofsted report with you all.

It is a huge privilege to lead such a dedicated team of staff, and I am immensely proud that their efforts have been recognised, with such a positive report.

Once again I would like to thank our families for working closely with us to ensure we can get the very best for your children.

Safeguarding Spotlight

Top tips for improving your child's sleep

- Encouraging children/young people to get into a regular bed-time routine.
- Doing the same things in the same order an hour or so before bed can help them drift off to sleep.
- Creating a cool environment with low stimuli will also aid sleep
- Removing tablets, phones and any electronic equipment will also provide an atmosphere in which children/young people will relax and sleep better.
- Encourage your child to read or if possible someone else reading to them in the hour before bedtime can be a good addition to their bedtime routine.
- Check your child's room for noise and light. If the room is too light or pitch black your child may have difficulty sleeping.

Summer Fair

We do hope you will all join us on Tuesday 25th June.

You are invited to collect your children at 2pm from their classrooms and join in the fun together. The stalls will include;

- Teddy Tombola
- Tombola
- Sweet Tombola
- Lucky Dip
- Lucky Bags
- Food Stall
- Face Painting
- Glitter Tattoos

We will also be joined by many local groups and agencies who will be able to provide advice and support on various issues.

We hope to see lots of you there.

Awards For All

We are thrilled to have the new outdoor gym equipment installed, using the National Lottery 'Awards For All' funding we received earlier in the year.

I am sure you agree it looks fantastic and the children have loved putting it to good use this week.

Sing Out 2024

Tickets are now on sale for this fantastic event on Tuesday 18th June at The Dome, Doncaster.

Our "Sing-Out" Choir are loving learning all of the great songs for this amazing event. We still have places available if anyone in KS2 would like to join us on Thursdays 3-4pm, with Mrs Mathers.

Ancient Greece

For Summer term in Year 5 we have been learning about Ancient Greece. One of the highlights of this topic was spending the day as a child who attended two different types of school in Ancient Greece.

We spent the day in the School of Athens then the Agoge (Spartan School). In Athens, students learn how to read, write and play instruments and many other subjects. We learnt how to write our names using the Greek alphabet and also made an abacus which was used for counting.

In Sparta, things are different. The students still learn a range of subjects but there the focus is making strong warriors. Also, in Sparta girls also attended school unlike in Athens. We spent time making our own weapons and completed some fighting practice.

Safeguarding children is everyone's responsibility. If you have any concerns, please telephone 01302 737777.
