SCHOOL BLOG

It has been a busy week preparing for the final few weeks of term. We have lots of events planned over the coming weeks including the Summer Fair and Sports Day. We are very much looking forward to seeing lots of families join us.

We understand that times of change can be difficult for some children and families and as we come to the end of the academic year children may begin to worry about moving to new classes.

Existing Class Teachers will be meeting with your child's new class teacher over the coming weeks to ensure key information is passed on, to make the move as smooth as possible. Annual reports and the name of your child's new teacher will be sent out during the week beginning Monday 8th July.

If your child is particularly worried about moving up, please speak to their class teacher so that we are able to provide extra support if needed.

I wish you all a peaceful weekend with family and friends.

Mr Bullock.

SAFEGUARDING SPOTLIGHT

Internet Matters six tips for keeping children safe while online gaming internetmatters.org

- 1** Take an active interest in the games your children are playing to get to grips with how they work and why they enjoy playing them.
- 2** Ask who they play with online, who they meet and talk to, and talk about what kind of language is being used. Make sure your child knows how to do report abusive or anti-social behaviour.
- 3** For younger children, use 'airplane' mode settings on your tablet or smartphone. That way, they can play offline without making accidental purchases or connecting with someone they don't know.
- 4** Use PEGI ratings and App store ratings to ensure your children are playing age appropriate games. Help children understand why some games are allowed and others aren't.
- 5** Gaming can be very addictive, so agree boundaries and how long they're allowed to play for, and with whom they are allowed to play online with. Remind them that people may hide behind fake profiles and not be who they say they are.
- 6** Teach your children to protect themselves by thinking critically – remind them not to share personal information and to keep gaming friends in the game only rather than adding them to their other social networks.

- Glitter Tattoos

We will also be joined by many local groups and agencies who will be able to provide advice and support on various issues.

We hope to see lots of you there.

Out of School Achievements

Khalid in Year Five recently a football tournament, playing for Hyde Park Knights.

Khalid scored five goals and was awarded player of the tournament.

Well Done Khalid, we are very proud!

Coffee Morning

We will be hosting a coffee morning in the Community Hub on Wednesday 26th June at 8.45am. The DMBC Stronger Communities Team will be attending to assist you with any community issues you may have. This will be an opportunity to discuss any support you may need.

We are also hoping to have two PCSO's join the coffee morning, who will be able to support you with any concerns around Anti-Social behaviour and crime within your local area.

Please do come along and have a drink and a chat.

Maths Superstars

Year Two have been working on 2D shape this half term. They have completed lots of practical lessons to gain a deeper understanding of the properties of 2-D shapes.

The children loved making the shapes with elastic bands on the peg boards, thinking carefully about how many corners and sides a shape needs to have. The children also used mirrors to practise finding a line of symmetry in shapes.

Well Done Year Two, great maths work!

Safeguarding children is everyone's responsibility. If you have any concerns, please telephone 01302 737777.
