

Early Years Newsletter 21st June 2024

This week we have really enjoyed comparing the different countries in the world and specifically looking at Africa and Kenya in Reception. We found out about the different types of homes they live in and had a go at building our own stilt houses. In Nursery we have also been finding out about different types of homes that we live in. In Maths Reception have been practising all the skills we have learnt this year finding pairs of ten as well as addition problems. Our favourite day was Friday in Reception because we have gone football crazy and made our own shirt numbers as well as flags and we had our own football world cup. Look out for the pictures on the website.
