

Early Years Newsletter 12th July 2024

This week we are remembering how we can keep safe in the sun in preparation for the Summer holidays. In Reception we found out about materials that are waterproof. We talked about how we are all unique and how we are all different. Following on from last week learning about recycling, we used old bottles to make 3d models of sea creatures. In Nursery we have been learning about sun safety and how we like and dislike different things, which makes us different. We have also made collages of the Rainbow fish. In Maths we have been adding and subtracting in Reception. In Nursery we have been counting on. We had lots of fun on our Bubble run today around the field there were lots of smiles as we ran and popped the bubbles.

Song of the week:

<https://t.ly/plqcc>

When I was one I'd just begun,
The day I went to sea.
I jumped aboard the pirate ship
And the captain said to me –
'We're going this way, that way,
Forwards and backwards,
Over the Irish sea.
A bottle of milk to fill my tum
And that's the life for me.
