

Early Years Newsletter 19th October 2024

This week we have been reading the Little Red Hen and finding out about being a good friend. We learnt that helping others is being kind and it makes us feel good. Our emotion this week was 'scared' we talked about how this feels and what it looks like and talked about how some people are scared of something that someone else is not like snakes and spiders. We enjoyed our PE session this week moving in different ways and working in pairs to shadow movements. In the creative area we have threaded leaf shapes to develop our fine motor skills and in the Investigation area we have been exploring the Autumn objects to create different patterns. We have been proud of the children in phonics this week with the children becoming more confident with blending sounds together to say the words. Our handwriting is also improving and we have had some good self portraits drawn this week. In Maths we have been learning about one less and telling each other first, then ana now stories.

Just a reminder, the school gates close at 8:30am to ensure the children are in school ready to make the most of their day.

If you have any old puzzles you would like to donate we would be very grateful.

Thank you

At Home Challenge

Some activities you could try at home with your child this week:

- Have a go at baking some bread.
- Can you write your name?
- See if you can make some shadow puppets in a dark room.
- As you walk up the stairs count one more each time.

This week we have learnt our new sounds, please click on the links to see videos of how to say the sounds.
