

Nursery Newsletter: 8th November, 2024.

Welcome Back! Hope you have all had a lovely half-term break. The children have had a fantastic week and it feels like we have never been away. This week, we have enjoyed more creative activities. We have enjoyed creating our own Witch's, using and naming different shapes. Also, we have enjoyed using chalk to create our own Fireworks.

As part of our Maths learning this week, we have been practicing our counting in an active way. We have enjoyed matching the numbers 1-5 to jumps, claps and hops but focusing on number 5. We have even practiced writing it! Also, as part of our storytime this week, we have enjoyed reading the story, There's a Meg and Mog by Helen Nicholl. We have enjoyed pretending to be Witches, flying on our broomsticks and casting magic spells.

This is the story that we've read this week:

Cool Milk

Key Messages:

The school gates close at 8:35am to ensure the children are in school ready to make the most of their day.

Please make sure that children bring a spare pair of clothes, just in case of getting wet in the water or an accident.

Please make sure all clothes have name labels in them so they can be reunited easily.

Please remember to sign up for cool milk for the children to have at snack time, if your child would like it.

Now that the weather is colder, please make sure the children is sent with a warm and waterproof coat. We spend the first 45 minutes of our morning outside.

Thank you for all your support and patience. Have a lovely weekend.

The EYFS Team ☺
