

Nursery Newsletter 23rd November 2024

Another great week! The children have enjoyed learning about what happens at night. We have discussed the different types of people who have jobs through the night, whilst reading our story this week. We have created our own stars and moons using gold and silver paper and card.

As part of our Maths learning this week, we have been learning about how to make 5 in different ways. We have been using the different coloured compare bears to make 5. Can you tell your grown up a way to make 5? Can you show them using your fingers? Also, as part of our storytime this week, we have enjoyed reading the story, When You're Fast Asleep at Bedtime, Who Works at Night by Peter Arrhenius. We have learnt all about what happens at night time to the night workers when we are tucked up in bed.

STORY OF THE WEEK

Nursery Phonics

This week we have been learning about things that look the same and comparing those that are different

Song of the week:

Hey Diddle, Diddle

Hey diddle, diddle,
The cat and the fiddle.
The cow jumped over the moon!
The little dog laughed
To see such fun,
And the dish ran away
With the spoon!

Some activities you could try at home with your child this week:

- Practising putting on your coat
- Read a book in a funny place for example under a table.
