

# Early Years Newsletter 28th February 2025

This week we have started our new Topic which is called 'Are we there yet?' We will be learning about different types of vehicles and how we can travel in different ways and to different places. To start us off we have looked at the names of different vehicles and found out how they move. We learnt that some vehicles have wheels and some do not. In the creative area over the next few weeks we will be making our own vehicles with the junk modelling. In music we have been tapping out the rhythm to 'Zoom, Zoom, Zoon we're going to the moon' and adding in some actions. With Spring fast approaching we have been lucky to have Daffodils in our classroom. We have been painting pictures of them by looking carefully at the colours and patterns.

## Number bonds to 10

0+10=10	4+6=10	8+2=10
1+9=10	5+5=10	9+1=10
2+8=10	6+4=10	10+0=10
3+7=10	7+3=10	

ink saving Eco

This week in Maths we are learning about number bonds to 10. We have been singing the song 10 green bottles and seeing how many bottles are on the wall and how many are on the ground then adding them altogether. 2 and 8 make 10.

## Read Write Inc. Phonics

### Phonics Groups

Your children will bring home their reading or handwriting sheets this week depending on which group they are in.

Please help your child by reading their Green book or Ditty sheet when it is sent home.

If your child has handwriting sheets please practise these at home.

Thank you for your support.

## STORY OF THE WEEK

Words we are learning...

Journey  
Travel  
Passport  
Float  
Island

Please use links from previous newsletters to practice saying the letter sounds.

Here are some interactive games you can play at home to practise reading words:

Reception: Journey: <http://tinyurl.com/5ft37n7e>

## At Home Challenge

Some activities you could try at home with your child this week:

- Go for a walk and see how many vehicles you can find
- Have a go at making a sandwich
- Make 2 sets of cards with the numbers 1-10 and then play snap pairs of ten.

This week our emotion is 'tired'

tired

This week we have talked about the importance of getting sleep. Sleep helps our body to make energy ready for the next day as well as help our brain to store important information we have learnt. A good bedtime routine is important to help us sleep well.

## Sound Blending Book

Click here for a link to the blending books to help you read at home.
