

# Early Years Newsletter 7th March 2025

## Let's get Growing!

Over the next few weeks we will be starting to look at planting some seeds so that we can watch them grow over time.

If you have any spare plant pots, compost or seeds you would like to donate to the children that would be amazing.

Thank you

What a busy week we have had this week. We have had a visit from the Athlete and completed our exercise challenge to music which we all really enjoyed. There were some super dance moves from the children in the hall. We have also had World Book Day where we learnt all about how important it is to look after our environment. We created our own footprint animals which we are going to display. The book 'Footprints' was great fun to read. In our topic sessions we have been finding out about transport a long time ago and learning about different types of journeys we can go on. We had a virtual journey to Mecca and talked about how people make special journeys to visit special places for their religions.

## Number bonds to 10

0+10=10	4+6=10	8+2=10
1+9=10	5+5=10	9+1=10
2+8=10	6+4=10	10+0=10
3+7=10	7+3=10

This week in Maths we are continuing learning about number bonds to 10. We have been learning a new number bond song and seeing how many different parts of 10 we can find using our part part whole models.

Words we are  
learning...

This week our emotion is 'shy'

Can you make a list of the times when you might feel shy? We have been talking about trying new things and having a go. It's ok to make mistakes and we can be less shy if we have more confidence to try new things.

Some activities you could try at home with your child this week:

- Make a list of all the places your footprint has gone this week.
- Draw round your own footprint and see if you can create your own animal footprint at home.
- Keep fit by doing 4 minutes of exercise each day. You could do star jumps, jumps and running on the spot. Or even the upside down fly we learnt with the athlete.

Sound Blending Book

Click here for a link to the blending books to help you read at home.
