

Nursery Newsletter: 7th March 2024.

A great second week! We have continued with our new topic, but this week, our focus has been 'Special Journeys'. This week, the story that we have been reading is a classic, one of our favourites 'We're Going on a Bear Hunt' by Michael Rosen. We have created our own Forest Scenes on our Creative Table. Also, we have practiced our cutting skills, cutting our own bears and adding split pins to create our own bears. In the playdough area, we have made our own bears, using the brown playdough. As part of our Maths learning this week, we have been creating AB Patterns, can you show your grown-up an AB Pattern? Also, as part of our storytime this week, we have really enjoying acting out our story using the actions. Can you show your grown ups part of the story with the actions?
