NEWSLETTER

HEADTEACHERS BLOG

Welcome to the first edition of our new weekly newsletter for parents. We know that lots of people follow us on Facebook and Twitter and visit the school website for curriculum information and to find out about the latest events in school but some parents have said they prefer to have a more regular update sent directly to them – so here it is. Any suggestions of how we can improve communication or what we do in school are always welcome.

Unfortunately because of the continuing and tightening restrictions we won't be having any Christmas events in school again this year. Every class is preparing a song and a poem to perform and we will put these together to make a short Lakeside Christmas film. Please sign the permission letters if you would like your child to appear in the film as it will be shared on social media. Parties in classes are still going ahead.

In school we are keeping restrictions strict. All staff are wearing masks and keeping socially distanced. Fortunately, the number of cases has rapidly fallen again since a peak of a couple of weeks ago. Thank you to all those parents who are being vigilant and booking a PCR test if their child is ill or has symptoms - this helps to keep everyone safe.

This term we have been able to offer an amazing range of wider curriculum opportunities for children – visits, visitors to school, sports and music – as well lots of opportunities for parents and families via the Lakeside

Community Hub. We hope this will continue in 2022 but we are all facing an uncertain Winter. So at the moment we can only plan and hope it all goes ahead.

Take care and stay safe.

Mr. Bullock
