NEWSLETTER

HEADTEACHERS BLOG

Welcome to the second edition of our new weekly newsletter. The response from parents has been very positive – as always any suggestions for improvements are welcome. If there is anything you think should feature regularly please do let us know.

The children have worked incredibly hard this term to catch up with their learning after two school years disrupted by lockdowns and bubble closures.

We don't provide work for the school holidays but there are plenty of learning links on the school website as well as: Learning with Parents, Times Tables Rockstars, Reading Plus, Reading on Your Head and Purple Maths. All of which we provide for free and that all children can access out of school.

During the final week of term – for a change - there are lots of parties and, hopefully, a bit of festive downtime to socialise safely and have fun.

I would like to thank all our families for your support this term even though we have sadly not been able to have events in school.

I also thank the exceptionally hardworking and resilient staff of Lakeside Primary Academy for everything they have done for the children this term.

Next term will, no doubt, be just as challenging as this one. But, especially after the last year or so, at Lakeside we are confident we can overcome any challenge we face.

We wish you all the very best for Christmas and the New Year.

Take care and stay safe.

Mr. Bullock

DATES FOR THE DIARY
