HEADTEACHER'S BLOG

This week is Children's Mental Health Week (<https://www.childrensmentalhealthweek.org.uk/>) a hugely important date in the calendar especially after two years of disrupted schooling as well as all the other effects of the global pandemic.

We also are thinking particularly this week of bereavement and how we support children and families who are struggling with the loss of loved ones. Further bereavement support and resources can be found here

<https://www.winstonswish.org/>

Friday is a non-uniform day to support the school and trust charity Young Minds (<https://www.youngminds.org.uk/>) Any donations will be very gratefully received.

At Lakeside we offer a lot of pastoral support to children and families in different forms, but including Forest School, play therapy, gardening groups and yoga sessions as well as one-to-one support for individual pupils dependent on need. We also provide a package of wider support through the Community Hub; including Community Yoga, social events and community meetings.

If you have any concerns about your child's mental health and well-being or would like support as a family please contact Mrs Smith, SENDCo and Inclusion Manager, or Mrs Stringer the Family Support Manager.

Mr Bullock
