SCHOOL BLOG

It has been another action-packed week this week, with the final week of our Active Travel event. It has been great to see so many families getting involved and joining in the many events.

This week we have played I-Spy on the way to school, 'Spring Blinged' our scooters and bikes and walked to school in our amazing headgear. Over 85% of children have travelled to school by bike/ scooter or walked which is a great effort, so thank you for all your support.

On Tuesday we held our first Health Walk in conjunction with DMBC. Lots of families joined us for a walk around the lake. It was great to spend some time outdoors in the sunshine and chat to you all along the way. Following the success of this event we would like to hold a Health Walk each half term, so if you weren't able to come along this time, we would love to see you at the next one.

Next week is our second Family Forest School event which proved very successful last half term. We will be making candle holders from natural materials and enjoying some time in the Forest School environment. If you were not able to secure a place this time then look out for the next event advertised and come and join in the fun.

Thursday 31st March is our Big Spring Clean Community event. You are invited to collect your child at 1.30 and join myself and the DMBC Stronger Communities Team to litter pick in the local area. This is a great opportunity to be outside, spend some time with your children and foster a pride in keeping the community tidy. I do hope many of you will be able to join us.

Finally, a letter has been sent out this week asking for Parent Voice Ambassadors. This is an opportunity for you to voice any queries or ideas regarding school and also to enable parents/ carers to become more involved in school life. If you are interested in becoming a Parent Voice Ambassador, or you would like to know more about what is involved, then please get in touch.

I hope to see lots of you at the events next week. Have a lovely weekend.
