

1st April 2020

Dear Parents and Carers,

We hope that you are all managing to keep safe and well during these difficult times.

Some updates for the Easter break:

- Please note that there will be no FSM vouchers issued for the Easter holidays (Free School Meals are not provided during school holidays). They will recommence from Monday 20th April.
- At the moment we have no children needing emergency child care during the holiday. Therefore, school will be closed over Easter unless parents notify us otherwise.
- If you are a key worker and you do urgently require emergency child care during the holidays please email: admin@lakeside.doncaster.sch.uk or contact the school emergency number: 07424867865, giving us 24 hours' notice if possible to reopen school.
- After the Easter break, school staff will be contacting every family at least once or twice per half term to check that you are OK and ask whether there is anything you or your children need, particularly for home learning.

Staff continue to update the school website with home learning links and resources. Keep an eye on the school Facebook page for updates as well.

We are working with other schools in the Rose Learning Trust to develop a more sophisticated Virtual Learning Environment and this, hopefully, will be up and running not too long after the Easter holidays.

Teachers will be nominating their 'Fantastic Fish' awards for best home learners in each class on Facebook this Friday.

Yours sincerely,
Mr J Bullock
Headteacher
