SCHOOL BLOG

Last week we held our termly Parent Voice Coffee and Cake afternoon. We were thrilled to see so many of you attending and it was great to hear your views and ideas for the future of Lakeside. We have shared your views with the staff and children and a summary of the outcomes are below.

You Said... You would like to see more family courses at The Lakeside Community Hub.

We did... A survey will be sent out to families to establish what you would like to see at The Hub. Please look out for the survey link which will be sent out via email and will be posted onto Facebook.

You Said... The fence outside St Peters School makes it hard to cross the road safely, and it blocks access to the snicket. Parents raised concerns regarding the continued issues with parking and cars turning outside the school.

We did... Any concerns regarding the new fencing need to be raise with DMBC directly. A meeting has been arranged with Jenny Olma, DMBC School Streets team to discuss the continued issues and put in place a plan of action. More information will be given at the next Parent Voice meeting.

You Said... Can children have juice in their water bottle?

We did... Children are to bring water to school. If your child requires juice due to a medical need then we ask for this to be discussed with school, and where possible a letter from the health practitioner.

You Said... Patricia Astbury, Chair of Governors, discussed the role of Parent Governor. There is one vacancy.

We did... School will send out information and application forms. Please contact school if you would like to discuss this further.

The next Parent Voice meeting will be held in the new year. We hope to see lots more of you and hear your views.

Sally Smith
(Inclusion Manager)
