SCHOOL BLOG

As always it was lovely to see everyone back in school after half term. This year we are determined to see attendance improve and it is good to see that this is already happening. Being at school every single day is crucial to progress, wellbeing and future attainment.

A big thank you to all the families who were able to attend parents' evening whether in person or by phone call. It makes a huge difference to the teachers and to your child to have these important conversations. It was good to see parents back in the school building again too, after such a long time.

Thank you as well for your feedback about the school which was overwhelmingly positive. If you did not get chance to fill in a feedback form, please ask at the school office or your child's class teacher. The online form is still available here: <https://forms.office.com/r/cb2E4zsBAi>

In school this week, Year 6 went on a fascinating visit to the aircraft museum as part of their World War Two History topic and Years 1, 2 and 5 visited the Wonder Dome planetarium in the school hall to find out about the solar system for their Science topics.

At the Lakeside Community Hub, the 71st Hunafa Scouts group, based at the Hub, hosted a live rugby world cup event and this Sunday 6th November 5-7pm is their firework display on the school field. It's £3 to get in (under 3's go free). I'm sure they would love to see you all there!

Finally, some amazing news. We were delighted to hear that Umar Syed in Year 5 had been voted as one of only ten Primary Ambassadors in the whole of Doncaster and next Wednesday 9th November, the Primary Ambassadors will be first in line to meet the King and Queen Consort at the Mansion House when they confer city status on Doncaster. What an exciting opportunity for Umar and an honour for Lakeside Primary Academy to have such a fantastic pupil role model represent the school.
